Or Dial: (646) 558-8656; 2nd option is (669) 900-6833
Meeting ID: 505 556 967

Harrisburg, PA – A diverse group of conservative community, faith, and business leaders throughout the state will gather this week to announce the creation of a coalition in support of energy policy at the state and national level that embraces an all-of-the-above approach to energy development, including the development of clean and renewable energy resources and energy efficiency technologies.

The event will take place on **May 24, 2018 at 10:00 a.m.** via webinar and tele-conference. Leadership Council members of PennCEF will be present to give brief remarks, followed by time for questions from the media.

The PennCEF Leadership Council is made up of **Chad Forcey**, executive director, PennCEF; **John Easoz**, president of Solar PV Consulting and CEO of Direct Gain Consulting, LLC; **Tom Stevenson**, partner, Green Roads Solar Energy & Iceburgh Associates; **Rev. Mitch Hescocx**, president & CEO, the Evangelical Environmental Network; **Ron Gdovic**, president & CEO, WINDSTAX Inc; **Brian Kennedy**, SVP for Operations and Government Affairs, Pittsburgh Technology Council; **David Jason**, partner, Green Roads Solar Energy & Iceburgh Associates; **Mark DeSantis**, CEO, RoadBotics; and **Jim Seif**, consultant and board member of BioChem Technology Inc.
